***For categories above that include an extension of benefits to your household dependent(s), please note: For full-time employees and seated trustees, dependents are defined as: a spouse, dependent or an individual residing in the employee's household or a party to a civil union with an employee. For full-time retirees, dependent is defined as: one immediate family member living with retiree. Dependent ID's are issued by HR, and all dependents will be required to show proof they reside with the full-time employee, trustee, or full-time retiree to receive an ID.**
