7.M. Proposal – Big Bounce America

Nick Conrad stated that a tourism grant through the State of Illinois' Department of Commerce and Economic Opportunity (DCEO) has been awarded to the Peoria Park District to promote tourism opportunities. The grant funds must be utilized in accordance with the state's current fiscal year from July 1, 2022 through June 30, 2023. Following conversations with Representative Gordon-Booth, staff has narrowed focus on the grant opportunity into the creation of Park-A-Palooza – a 3-day event scheduled for June 8-10 at Detweiller Park in 2023. Park-A-Palooza will feature three main components – a drone show, Big Bounce America, and a concert featuring a national touring artist. All projected costs for the event were submitted to the DCEO for approval and will be reimbursable to the District following the reporting period.

As part of the proposed agreement for the Park-A-Palooza event, Big Bounce America will be providing their bouncer which is approximately 215'x140' and the obstacle course that is 230'x80'. The proposed agreement includes up to three days and ten hours per day of access to the bouncer and obstacle course. The bouncer has a capacity of 250 people at one time. The obstacle course operates in a one in, one out fashion, where, according to Big Bounce America representatives, the average person takes five to seven minutes to complete the course.

Multiple District staff completed online research of bounce house vendors, both locally and from outside the state of Illinois, to determine that there was not a comparable alternative and Big Bounce America was a single source vendor for these specific attractions. In addition, Big Bounce America's bouncer is the current Guinness Book of World Record holder as the largest bounce castle.
