Peoria Park District
Adult Kickball
Rules and Regulations

Current Peoria Park District Softball Rules will govern Kickball with the following modifications:

Teams:

- Seven (7) men and three (3) women play on defense. Teams may utilize more women than men in the field if preferred. Must have 8 (3 women) players to start or continue a game.
- Teams may bat 10 or more players. Teams must alternate batting order by sex until all females have batted then use the remaining men. For example (M, F, M, F, M, F, M, F, M, M, M then back to the top)
- The defensive team may not have more than 6 players in the infield dirt before the ball is hit.
- Games are 7 innings in length or 60 minutes whichever comes first.
- If a team is leading by twenty or more runs after four innings, fifteen or more runs after five innings, or twelve or more runs after six innings the game will be terminated and the team with the most runs will be declared the winner.

Batting/Running:

- The batter must wait for the ball to be within three feet of home plate before kicking the ball.
- If the batter does not like the pitch, he/she should not attempt to kick it, and another pitch will be thrown. There are no strikeouts or walks. If the first attempt is missed, the batter is out. However, a batter will get one courtesy foul ball. If the second attempt is missed or is a foul ball, the batter is out.
- All kicks must be made by the foot.
- Bunting is not allowed and is considered any time a player intentionally does not make a complete kick with their leg. A bunt will be a dead ball and an automatic out.
- *A line will be drawn across the diamond and a batted ball must pass this line to be considered in play. If this does not happen the kick will be ruled one attempt. If this is the second attempt the batter will be ruled out.*
- A batter/runner is out in situations similar to softball (forceouts, popouts, etc.) In addition, a runner is out when he/she is hit by a thrown ball below the shoulders.
- No leading off or stealing is allowed. Runners off the base when the ball is kicked will be declared out.
- Hitting a runner's neck or head with the ball is illegal. If a runner intentionally used the head or neck to block the ball, the runner is ruled out. If a ball is intentionally thrown at the runner's neck or head, it will be an automatic dead ball and that runner will be awarded the base they were going to PLUS an additional base.
- A force line will be placed between third base and home plate and any runner that crosses the line may not return to third base and must advance to home plate.
- A safety base will be used for first base and anyone running through first base must use the orange safety base.
- An out mat will be placed 3 feet in front of home plate. The catcher will use the out mat and the runner will use home plate. If the catcher has control of the ball while touching the out mat before the runner reaches home plate the runner is out OR if the runner gets hit by a thrown ball they will be called out. The catcher may not touch home plate. If the catcher touches home plate while in control of the ball no out will be recorded. If the catcher tags the runner the runner will be ruled safe.
- The courtesy runner must be the player who made the last out.
- He may run in place of a base runner currently on base. You may only use the courtesy runner once per inning.

Pitching/Fielding:

- No bouncies or spinning when pitching. Pitches must be less than one foot in height at the plate. All pitches must be within the width of the batter's box. Any pitches not within this distance will be ruled a NO pitch.
- The pitcher must stay at the pitchers rubber until the ball is kicked. Infraction results in all runners advancing one base and the batters choice of re-kicking the ball.
- No player may break the plane of their respective base 1st, 2nd or 3rd prior to the ball being kicked. Infraction results in all runners advancing one base and the batters choice of re-kicking the ball.
- The catcher may not break the plane of home plate until the ball is kicked. Infraction results in all runners advancing one base and the batters choice of re-kicking the ball.
- There is NO infield fly rule, but a fielder cannot intentionally drop a ball to turn a double play. Infraction of this, results in all base runners being ruled safe.
- Once the pitcher has the ball in control and in a close approximation of the mound, the umpire will call time and at this point the play is dead.

Substitutions:

- Any starting player or substitute may re-enter the game once in the same spot of the batting order.
- Any player that has not been ejected on your roster may re-enter in the field at any time. This does not affect the batting order.
