6. SPECIAL RECOGNITION

President Johnson stated that On May 15 of each year, the American flag flies at half-staff to show our gratitude and respect for police officers who give their lives in the line of duty. Tonight, I ask that we dedicate our moment of silence to remember those fallen officers.

Those called to service as a police officer do so because of a commitment to keeping us safe and protecting the peace. Their loyalty is seen every day and here at the Peoria Park District, it is seen in our spaces and places where they engage and encourage our patrons to act peacefully. Across America, there are more than 700,000 sworn law officers. When each of them took the oath, these brave men and women accept great responsibility and great risk. On behalf of our Board and staff, and the many citizens that you keep safe every day, I extend our sincere gratitude.

In the Park District in 130 years of service to our community, four officers have lost their lives in the line of duty. Tonight, we pause to thank them and their families. Constable Arthur Smith end of watch June 12, 1922. Officer Charles DeBolt end of watch July 2, 1924. Officer David Gaul end of watch August 4, 1937.

Officer Charles Barden end of watch August 24, 1938. President Johnson stated he is honored to be able to express shared gratitude to Chief Green and our Peoria Park District police.

7. STAFF REPORTS

7.A. Executive Director

Executive Director Cahill provided below a high-level overview of the results from the 2024 Community survey that was completed in Summer/Fall 2024.

Response Rate

3026 total responses received

66% respondents reported as female. 87% respondents reported as white.

Staff worked with Dr. Larry Weinzimmer to review responses to determine where this difference from community demographics impacted responses in statistically significant ways. Results reported below reflect this analysis.

Overall Findings:

Programs that are rated highly:

Parks and Trails, Sports Leagues, Special Events

Supports that need attention:

Transportation, Fitness Classes with supports for parents with children

Key Findings by Demographic:

Gender/Age:

Women are more likely to use parks and trails, go to special events, and visit the PPH.

Men are more likely to go camping/fishing and use fitness facilities.

Older adults are more likely to use the zoo and participate in senior activities.

Younger individuals are more likely to use sports leagues and engage in career exploration.

Race:

White people report higher use of parks and trails and walking; lower awareness of scholarship programming and in engagement in youth activities.

Black people reported higher uses of fitness facilities and lower usage of parks/trails. They also showed lower mental health engagement (but with a weaker correlation).

Latinos reported slightly higher use of parks and trails and lower engagement in physical health activities.

Asians reported lower than average engagement in community activities.

Income:

Higher income correlates with zoo usage and sports leagues.

Lower income correlates with less awareness of scholarship program and fitness facilities.

Key Reported Areas of Concern/Opportunity:

Transportation Barriers:

Older adults and females report difficulty with walking, biking and public transportation access.

Action: improve accessibility (shuttle services to programs, better sidewalks, connectivity to public transportation).

Under-Represented Groups in Programming

Black and Latino communities show lower engagement in parks/trails and scholarship programs.

Action: Targeted outreach and culturally relevant programming.

Mental Health and Physical Health:

Females and lower-income individuals report lower mental health engagement.

Action: Expand free/low-cost wellness programs.

Youth and Senior Activities:

8. COMMITTEE REPORTS

8.A. Strategy Ad Hoc Committee – Planning – Memorial Bench at FPNC

Staff received a request from Robert “Bob” Grabel to place a memorial bench at Forest Park Nature Center (FPNC) on the Wake Robin Trail in memory of his late wife Kathy Grabel. Bob and Kathy spent close to 40 years hiking at FPNC, and Bob thinks this would be a fitting tribute to Kathy. I worked with the Mr. Grabel to confirm his interest in the memorial bench, and confirmed with FPNC staff that placing the bench on the Wake Robin Trail would be an acceptable location. The bench will also include a standardized plaque, with language agreed upon by the District and family. As such, staff recommends approval of this request and will ensure the bench and plaque matches the Memorial and Tribute guidelines. All expenses will be incurred by Mr. Bob Grabel.

Trustee Montez MOVED TO APPROVE the Grabel Memorial Bench at FPNC. Motion seconded by Vice President Hill and carried on the following roll call vote: Trustees Harant, Montez, Sierra, Silver, Vice President Hill, and President Johnson. (Results: 6 Ayes; 0 Abstain; 0 Nays).

8.B. Strategy Ad Hoc Committee – Planning – Memorial Bench at Glen Oak Park

Staff received a request from Mrs. Jane Jones to place a memorial bench at Glen Oak Park Lagoon in memory of her late husband, Don Jones. Jane and Don had only moved to Peoria relatively recently in order to be closer to their children and grandchildren before Don passed. Mrs. Jones stated that Don was very excited about creating memories with his grandchildren at the various parks of the Peoria Park District, and a memorial bench at the Glen Oak Park Lagoon would be a fitting tribute to him. I worked with Mrs. Jones to confirm her interest in the memorial bench. The bench will also include a standardized plaque, with language agreed upon by the District and family. If the Glen Oak Park Lagoon location will not work, Mrs. Jones stated that her secondary choice would be Luthy Botanical Garden. As such, staff recommends approval of this request and will ensure the bench and plaque matches the Memorial and Tribute guidelines. All expenses will be incurred by Mrs. Jane Jones.

Trustee Harant MOVED TO APPROVE the Jones Memorial Bench at Glen Oak Park. Motion seconded by Trustee Silver and carried on the following roll call vote: Trustees Harant, Montez, Sierra, Silver, Vice President Hill, and President Johnson. (Results: 6 Ayes; 0 Abstain; 0 Nays).

9.E. PAWW Lease Extension

Executive Director Cahill stated that Peoria Area Water Wizard's (PAWW's) lease for use of Central Park Pool is set to expire on May 31, 2025. In order to allow the parties to finalize negotiation on shared costs of capital repairs and other terms in the agreement, the parties agree it is the best interest of both parties and their shared patrons to extend the terms of the current lease by two months to allow for that due diligence. As such, staff recommends a two-month continuation of the current lease terms with PAWW to allow for the due diligence necessary to finalize a longer-term agreement for use of the facility.

Trustee Sierra MOVED TO APPROVE the Lease Extension with Peoria Area Water Wizards. Motion seconded by Trustee Silver and carried on the following roll call vote: Trustees Harant, Montez, Sierra, Silver, Vice President Hill, and President Johnson. (Results: 6 Ayes; 0 Abstain; 0 Nays).
