Trustee Bertschy MOVED TO APPROVE the over reserve items as recommended by the Finance Committee. Motion seconded by Trustee Covington and carried on the following roll call vote: Trustees Bertschy, Covington, Harant, and Montez, and President Johnson. (Results: 5 Ayes; 0 Nays).

8. NEW BUSINESS

8.A. Naming Policy

Executive Director Cahill stated that after discussion at June 12 and June 26 Strategic Ad Hoc committee meetings, and with consensus of the Board, the following policy is presented for review and approval. Per policy, this review is a first read with a vote on the policy set for the next regular board meeting.

PPD POLICY ON NAMING PARK PROPERTIES, PROGRAMS AND FACILITIES

This policy addresses the naming of Peoria Park District properties, programs, and facilities. It is to be applied prospectively and does not require the re-naming of any existing park properties, programs, or facilities unless so determined by the PPD Board (“Board”).

1. New park properties, programs, and facilities shall be promptly named in accord with this policy. The name selected is intended to be the permanent name of that park property, program, or facility. The name shall be determined prior to the opening or commencement of the park property, program, and facility, and widely publicized to the public to acquaint the public with the name of that park property, program, and facility.
2. The name of a park property, program, or facility should bear a relation to the science, nature, geography, culture, or history of this area or to significant figures or events of state or national history.
3. No park properties, programs, or facilities shall be named for a living person or existing entity, except where there is a compelling case for such honor or where the new park property or facility (or its cost) is offered to the District and the donor stipulates a name as being part of the consideration for the donation. In the latter case, the Board has the prerogative of accepting or rejecting that donation offer.
4. No existing park properties, programs, and facilities, previously named, shall have portions of such park properties, programs, and facilities re-named, unless so determined by the Board. A portion of any presently named park property, program, or facility may be given a different name

so long as it does not change the overall name of the existing park property, program, or facility. For example, rooms in a named facility may be given an individual's name that is different than the name of the facility, so long as the subsequent naming does not materially impact the weight of the prior naming. Where property is added to an existing park, the additional park property may be given a different name should that naming reflect the proportionality of the increase in the overall park property.

5. Park properties, programs, and facilities shall not be named for District officials or staff until a minimum of five years has passed from the termination of their service to the District, and then only where truly exceptional circumstances are found by the Board to justify the naming.

6. Rooms within buildings may be given specific names but then only in accord with all provisions of this policy.

7. Park properties and facilities may bear appropriate plaques or markers, as approved by the Board, to honor people, including District officials and staff, who have made a material contribution to the creation of such properties or facilities.

8.B. Letter of Intent for Food and Beverage Operator Agreement at GLC

Executive Director Cahill stated that in August 2022, Representative Jehan Gordon-Booth publicly announced a \$4million award from the State of Illinois to support the reimagination of the District's Golf Learning Center. Included in this plan is the establishment of a high-quality food and beverage experience for patrons who visit the facility.

After an extensive search, the District began talks with Matt Rixner, owner of the Fox Pub, and Nick Babcock, former owner of Bearded Owl Brewery who presented to the Board of Trustees their interest in serving in this capacity in 2023.

With board approval, staff has worked since that time to negotiate the basic terms of a Letter of Intent which is attached hereto for board review and approval.

The document is a high-level statement of shared commitments and builds a foundation for more formal, comprehensive legal document. Included in this resolution is a general outline of operations and responsibilities of the parties, rent and fee structure, maintenance and repairs, and general legal provisions. Upon receipt of said approval, staff will continue to work with Rixner and Babcock, along with legal counsel to draft an Operating Agreement which will in turn come to the board for final approval of the collaboration.

As such, staff recommends approval of the attached Resolution which expresses the official intent of the District to enter into an operations/lease agreement with Rixner and Babcock which will come before the Board of Trustees for approval upon completion.

Trustee Harant MOVED TO APPROVE the Letter of Intent for the Food and Beverage Operator Agreement at GLC. Motion seconded by Trustee Montez and carried on the following roll call vote: Trustees Bertschy, Covington, Harant, and Montez, and President Johnson. (Results: 5 Ayes; 0 Nays).

8.C. OSLAD Grant Application

Becky Fredrickson stated that staff is preparing an Illinois Department of Natural Resources Open Space Land Acquisition and Development (OSLAD) grant for the re-development of recreational amenities in Markwoodlands Park. The OSLAD application requires that development projects on previously acquired land must certify that they were acquired using certain processes, OR that they were acquired before 1971. Markwoodlands Park parcels were acquired in 1970 and 1973.

As such, staff recommends certifying the Acquisition History and Certification form OS/DOC-2A in order to apply for the OSLAD development grant.

Trustee Montez MOVED TO APPROVE the certifying of the Acquisition History and Certification form OS/DOC-2A for Markwoodlands Park Improvements. Motion seconded by Trustee Bertschy and carried on the following roll call vote: Trustees Bertschy, Covington, Harant, and Montez, and President Johnson. (Results: 5 Ayes; 0 Nays).

Becky Fredrickson then stated that staff is preparing an Illinois Department of Natural Resources Open Space Land Acquisition and Development (OSLAD) grant for the re-development of recreational amenities in Markwoodlands Park. As a requirement of the grant process, a Resolution of Authorization must be signed by the applicant's chief elected official. The grant application proposes improvements to the existing football field and baseball fields, installation of a new playground and shelter, and the installation of accessible paths to the new and existing elements.

As such, staff recommends approved the Resolution of Authorization (Form OS/DOC-3) for the Open Space Land Acquisition and Development (OSLAD) grant program in order to apply for a grant for the re-development of Markwoodlands Park.

Trustee Covington MOVED TO APPROVE the Resolution of Authorization Form OS/DOC-3 for the Open Space Land Acquisition and Development Grant Program in order to apply for a grant for the re-development of Markwoodlands Park. Motion seconded by Trustee Montez and carried on the following roll call vote: Trustees Bertschy, Covington, Harant, and Montez, and President Johnson. (Results: 5 Ayes; 0 Nays).

8.D. Pre-Travel Authorization for Trustees to Attend the 2024 NRPA Conference in Atlanta, GA October 8-10, 2024

As required by state law and Peoria Park District policy, attached are pre-travel cost estimates for Trustees to attend the NRPA Annual Conference in Atlanta, GA October 8-10, 2024. Trustees will complete the process by providing a post-travel audit of expenses including itemized receipts, which will also be presented to the Board for consideration.

Staff recommends the Board approve the pre-travel estimates for costs associated with the participation of Trustees to attend the NRPA Annual Conference in Atlanta, GA October 8-10, 2024. Please note that at this time, not all Trustees have indicated their intent on attending and therefore, we do not have an exact number of Trustees attending.

Trustee Bertschy MOVED TO APPROVE the Pre-Travel Authorization for Trustees to Attend the 2024 NRPA Conference in Atlanta, GA October 8-10, 2024. Motion seconded by Trustee Montez

and carried on the following roll call vote: Trustees Bertschy, Covington, Harant, and Montez, and President Johnson. (Results: 5 Ayes; 0 Nays).

9. CALENDAR OF CONSENT ITEMS

9.A. Purchase of a 2024 F350 per State of Illinois Contract
